Advanced Fluid Acrylic Pours
Painting Workshops
with Artist, Nedaa
No Painting Experience Necessary!

About your instructor:
Nedaa is a daughter, sister, wife, mother, friend, and many different things to others, but the most she was striving for is to always be herself… just to be Nedaa. And that is one of the reasons she signs her work with “Nedaa” only. Born and raised in Kuwait, she used art to escape from anything she didn’t like, imagining a world of color and joy. Both a floral and an interior designer she went on to study the fine arts at Palestine Technical College in Palestine for 2 years, very special, considering that art is not normal in a war filled country. Nedaa moved back to Florida in 2015 using vibrant colors to create expressionistic and abstract artwork.

Join us for this fun experiential, “Play with Color” workshop,
During this lesson you will learn two different pour techniques for achieving unique artwork! Pouring creates an opportunity for an artist, or non-artist, with a creative mind to use the tools they are given to work with and then experience the challenge of letting go and letting it flow!
